

Professional Learning Plan: December 12th, 2025 Magnetic Hill School

The following is a brief description of our planned professional learning work for December 12th. This work is organized around our district's four collective goals:

One Section of Staff will be working on using technology to assess and monitor students progress.

Middle school French Language arts teachers will be working with leads to develop extensive unit plans.

Another section of school staff will be working on building independence in students.

**The Staff at Magnetic Hill School
continue to make the students'
educational experience the best we can
for your children.**
